Wikipedia

A Separate Reality is the second book written by Carlos Castaneda, and while still practically mired in the realm of hallucinogenic mixtures, a few new topics are brought to life; seeing, living like a warrior, and shutting off the internal dialogue.

Separate Reality again?

Why? I have been reading the books for 40 years, and they always seem fresh and new to me. The narrator did a fine job here. What did you like best about this story? The core of reality within the unreality.

What about Luis Moreno ' s performance did you like? He's a fine voice actor.
