The one-stop shop for all your Business requirements, this book provides teachers with the complete reassurance that they have everything they need to deliver AQA's new GCSE Economics specification. The best possible exam preparation with printed assessment materials including exam-style questions, specimen answers and study tips. Prepare your students for the examination with exemplars to help develop the skills required. Practical approach, with case studies to contextualise each subject in a highly visual way. 'Learning Objectives' clearly referenced to the AQA specification let students know exactly what they need to learn and understand in each topic.

Markets and Market Failure provides a comprehensive introduction to this important area.

Endorsed by Cambridge International to support the full syllabus for examination from 2023. Build strong subject knowledge and skills and an international outlook with author guidance and in-depth coverage of the revised Cambridge International AS & A Level Economics syllabus (9708). - Understand how the key concepts relate to real-life contexts with numerous case studies and examples from economies around the world. - Build confidence with opportunities to check understanding and tackle exam-style questions. - Ensure a thorough understanding with synoptic links that encourage students to apply their knowledge across different elements of the course. - Master the vocabulary needed to critically assess with key terms and concepts defined throughout, especially helpful for those whose first language is not English. - Develop quantitative skills with opportunities to interpret data throughout. - Maximise potential with study tips in each chapter that cover tricky concepts and provide advice on how to apply skills.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English Language qualifications. Approved for the AQA GCSE English Language 2015 specification, this print Student Book is designed for students targeting Grades 1 to 5 and above. Featuring a wide range of 19th-, 20th- and 21st-century texts, this resource has spelling, punctuation and grammar support integrated throughout. It also contains assessment tests and in-depth exam preparation, including two full practice papers. See also our Progress print and digital pack, which comprises a Progress print Student Book, a Writing Workshop print Student book, enhanced digital editions of each and free Teacher's Resources.

Manage your own revision with step-by-step support from experienced teachers and examiners David Horner and Steve Stoddard. Use specific examples to place economic theory in a real-world context. Apply economic terms accurately with the help of definitions and key words. - Plan and pace your revision with the revision planner - Use the expert tips to clarify key points - Avoid making typical mistakes with expert advice - Test yourself with end-of-topic questions and answers and tick off each topic as you complete it - Get exam ready with last minute quick quizzes at www.hoddereducation.co.uk/myrevisionnotes

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Endorsed for the AQA GCSE English Literature specification for first teaching from 2015, this print Student Book provides specific set text coverage for the 19th-century aspect of the specification. With progress at its heart and designed for classroom and independent use, students will build their skills through a range of active learning approaches, including class, group and individual activities. Incorporating differentiated support, activities will also help students develop whole-text knowledge. An enhanced digital version and free Teacher's Resource are also available.

Exam Board: AQA Level: AS/A-level Subject: Economics First Teaching: September 2015 First Exam: June 2016 Build knowledge of Economics through active learning with the latest Powell textbook, featuring quantitative skills practice and brand new case studies. This textbook has been fully revised to reflect the 2015 AQA A-level specification, giving you up-to-date material that supports your teaching and will enable your students to: - Develop subject knowledge with topic-by-topic support from Ray Powell and James Powell, who both have extensive experience in teaching and examining - Demonstrate awareness of current issues in Economics through brand new case studies that also help build analytical and evaluative skills - Use the language of economics to explain important concepts and issues effectively, with key terms identified throughout the text and glossaries for both microeconomics and macroeconomics - Build quantitative skills with worked examples - Stretch and challenge their knowledge with extension materials - Prepare for exams with practice questions and activities throughout

This book: - provides full coverage of all topics on the Edexcel A level Economics A specification - builds confidence and essential quantitative skills with knowledge check questions and exercises throughout the book, and answers available online - helps you understand and explain key economic concepts and

Where To Download Aqa Economics Past Papers Gcse

issues accurately and effectively with clearly defined key terms throughout the text and in the theme-by-theme glossaries - keeps you up to date: new exciting case studies with follow-up questions linked to key specification topics will help you analyse and evaluate important economic trends and developments - develops important skills through new practice questions coupled with extracts and figures, and answers available online

GCSE Economics has been specifically written to meet the requirements of the National Criteria and covers the new GCSE syllabuses completely. The book is a stand-alone course companion and includes everything needed for GCSE Economics courses - knowledge, course-work, exam guidance and homework activities. It is written in a straightforward style and, wherever possible, theory and knowledge are supported with visual material. Case studies based on a fictional village, as it progresses through various stages of economic development, are used throughout the text and are tiered according to the degree of difficulty.
