Breaking You

Breaking you in. The break someone in is the sort of statement that only a slutty and predatorial female would say about what she wants to do to a usually younger guy because she thinks its fun and purely because of that. She doesn't care if he is ready but inadvertently it may make the guy either wizer sexually or more reckless, depending on how affectionate the process is.

Urban Dictionary: Break you in

Breakups are tense and emotional situations. You never know how the other person might react, and how you'll respond as a result, so it's always good to plan ahead. Plan to do the break up in person out of respect for them. This also makes it easier to communicate your reasons and finalize your decision.
