My mother used to have a saying for everything. "You can't be pretty and lucky." She wasn't pretty or lucky. "You have to kiss a lot of toads before you find your Prince Charming." I kissed too many of those. Sorry, but Prince Charming isn't in Hicktown, Kentucky. "The good ones go to Heaven; the bad ones go to Hell." Guess I'm going to Hell. "Hell is paved with good intentions." Surprisingly, that one is true. Why? Because ... I intended to stay away from Calder Riggs. I intended not to fall in love with him. I intended to find a man who wasn't a loser or a joker. Oh well, I've never been afraid of Hell, anyway. That's why I'm Crazy Bitch!

She needed a hero; instead, she got Cade. Cade was no hero. He was a nomad, a wanderer with no ties and he liked it that way. Hired out to save Fat Louise and her spoiled sister from a cartel run Mexican city was a risk he was willing to take, for the right price. With a certain gray eyed woman on his mind, he set's out to find her, fuck her and forget her. No harm, no foul. But it's all easier said than done when it comes to this plain Jane. He expected a biker bitch who knew the rules; instead, he got Fat Louise. Fat Louise wasn't about to put her crew in danger. She had to learn to handle problems on her own, even if they included a six-foot biker she was forced to rely on, if she was going to rescue her sister. She never expected to see Cade again after she'd left Mexico, but all it takes is one night with him to prove that even a bitch's heart can be broken.

Stud has to prove himself as the new President of the Destructors, and Sex Piston and her crew's attitude isn't helping. If he has to sacrifice his body to tame the bitch then that's exactly what he's going to do even if it means losing his heart in the battle.

Beware of what you wish for; it might just come true. Train swore never to let a woman get under his skin unless it meant forever, and forever only meant belonging to The Last Riders. He had believed his one brief sexual encounter with Killyama was a hit it and quit it. Instead, her green eyes haunted his memories. Then when he tried to convince the woman he was serious as his -more the merrier- lifestyle became a painful reminder of the life he lived, Killyama used his own club against him to keep him from what he wanted. Killyama was holding out for a man who could offer her forever, and Train wasn't the forever kind of man. He was a Mr. Here and Now; the wicked warrior in her dreams. He might be a walking, talking sex machine, but she needed more than that. So, until he proved she was the only one sharing his bed, the only part of her body he was going to see was her ass walking away.

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants-at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live. Author's Note: This book was originally released through a small publisher in 2013.

Revenge is a seven-letter word that isn't for the faint of heart. It's a word for those who have been wronged. Jo Turner has been waiting five, long years to finally turn revenge into vengeance. Using Rider, the pretty-faced manwhore, is simply the price she is willing to pay to satiate her desire for revenge. Little does she know, she makes herself a target from the one thing Rider has sworn to give his life to

protect-The Last Riders. When you wake the soldier, be prepared for the consequences. Rider is going to teach her a hard lesson: revenge is a double-edged sword ... and it always cuts both ways.

The Enforcer's Oath: Protect the club at all costs. Jackal made an enemy out of Penni when he kidnapped her years ago. He let her go, never imagining she would take a piece of his soul with her. Now protecting Penni against a former brother will force him to place the club against her once again. She may be the Hostage, but he's the one held captive by the lust she refuses to admit binds them together. She thinks The Last Riders and another man will be all the protection she needs to end the tug of war between them. However, he's never lost a battle, especially against a tiny blonde with an attitude, begging him to teach her that her place is under him. To end the battle, he's going to have to reclaim the piece of soul she stole from him or claim a part of her soul as prisoner. When a predator takes you hostage, you're his forever.

Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider... A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, violence, drugs, domestic discipline, BBW, and explicit language offends you. *NOTE TO READERS* This book is a stand alone story. However, to receive the full experience these books are recommended before "Lucky's Choice" in the following order: Razer's Ride (The Last Riders, #1) Viper's Run (The Last Riders, #2) Knox's Stand (The Last Riders, #3) Sex Piston (Biker Bitches, #1) Teased (The VIP Room, #1) Tainted (The VIP Room, #2) Shade's Fall (The Last Riders, #4) King (The VIP Room, #3) Cash (The Last Riders, #5) Fat Louise (Biker Bitches, #2) Shade (The Last Riders, #6)
