Out of print for a good three years, Jhonen Vasquez's Johnny the Homicidal Maniac Director's Cut hardcover is once again available! The adventures of Johnny have been remastered and tuned to Vasquez's perfection, making this the ultimate presentation of Johnny and his world!

Presents the adventures of Johnny, also known as Nny, whose madness is encouraged by a pair of styrofoam doughboys, as he frightens the little boy next door, attempts suicide, and craves cherry brain freezies.

This series features familiar faces from Johnny, the Homicidal Maniac, but focuses on poor little Squee, Johnny's little trauma magnet neighbor. Squee reminds us all of what childhood was all about: witnessing vicious dog attacks, being abducted by aliens, and having dinner at Satan's house.

This book collects for the first time ever over 200 years of Filler Bunny comics, lovingly translated from the original Latin. Now, experience all over again the magic and other positive

non of the world's most lovable.... man, it's really pretty hard to fill up this space with things to say about this book. Words words words words words words words words words words. With a foreward by a filthy man sitting on a toilet, this collection words words words words Fillerbunny sandwich proton dongle? Also an all-new Filler Bunny story by Jhonen Vasquez and lots of new material from some of the world's most vile human beings including: Bryan Konietzko, Edmund McMillen, J.R. Goldberg, Tyler Hutchison, Frank and Becky, Pendleton Ward, Alex Pardee and Aaron Alexovich

Barely conscious and muttering to himself, Jhonen Vasquez grabbed a fishbone and scrawled on the side of a cat a series of surrealist scripts never meant to be read by anyone. Two thousand miles away, J. Goldberg hears these very scripts whispered into her sleep by her pet ferret, devoid of any real direction beyond the dialog. Goldberg awakens to find that she has illustrated these scenes. In Jellyfist, two artists battle with interpretation, however absurd the intent or outcome, with running commentary from the creators on just how wrong or right it's all gone. The first book published as a result of ferret-aided, carved-kitten-transmitted telepathy, Jellyfist's collection of highly important nonsense just might change your opinion of almost all known things.

TRICK 'R TREAT SAM'S 10Th ANNIVERSARY COLLECTION From the deliciously dark imagination of Trick 'r Treat creator Michael Dougherty (writer/director of the upcoming Godzilla: King of the Monsters, the horror hit Krampus, and the screenwriter of X-Men 2 and Superman Returns), comes the definitive Trick 'r Treat comic book collection in celebration of the 10th anniversary of this beloved horror saga. For the first time, Legendary Comics brings fans the full compendium of twisted Halloween tales, brought to life by a top-notch team of creators including writers Zach Shields (Godzilla: KOTM, Krampus) and Todd Casey (Krampus), Eisner Award-winning writer Marc Andreyko (Batwoman), Eisner Award-winning artist Fiona Staples (SAGA), ZID (Skull Island: Birth of Kong; Lost in Space: Countdown To Danger), Stuart Sayger (Bram Stoker's Death Ship), Stephen Byrne (Green Arrow), Grant Bond (Supernatural), Mike Huddleston (Man Bat), and Christopher Gugliotti (Texas Chainsaw Massacre). Trick 'r Treat, the graphic novel adaptation of the film, reveals 4 evocatively illustrated tales of horror interwoven into one unforgettable Halloween night as the unsettling figure known as Sam pays a visit to an unsuspecting community, wreaking havoc during the scariest night of the year. And then in Days of the Dead, franchise icon Sam takes readers on a journey back through Halloween history with 4 chilling new Trick 'r Treat tales. Discover old-world lovers whose romance takes a chilling turn and Western pioneers who discover the dark side of the frontier. Travel to 1950s Los Angeles for a tale of pure horror noir and into the heart of small-town America to see some pranksters taught a lesson they'll never forget. Across centuries of Halloween horror, wherever fear lies, Sam will be waiting... This new deluxe edition features all-new cover art, and brings all of Sam's stories together into one collection for the first time. No tricks, just treat after treat for horror fans!

Admirers of the well-beloved Mr. Chancre Scolex should find reason to rejoice in Everything Can Be Beaten which, according to the author, is "based on a completely fabricated true story." Mr. Scolex devoted his time and talent to writing Everything Can Be Beaten's compelling story, as well as to designing the book's unique layout and the appearance of its complex, multi-faceted characters. Matching Mr. Scolex's devotion to quality and artistry, Mr. Scrambly supplied colorful painted illustrations. These paintings vividly depict the story of IT, a hapless creature who breaks out of his monotonous existence to explore the realms that lie outside of the only room he has ever known. Bored of a life spent beating an endless supply of kittens, IT ventures outside and discovers a world entirely new to him. Though he is at first elated to find a place full of wonder and happiness, IT soon realizes that he can never belong in this welcoming, joyful land. "Alone in paradise," he is despondent and depressed until he realizes that, indeed, everything can be beaten, even in this strange new world. Writing and layouts by Chancre Scolex (sometimes known as Jhonen Vasquez), paintings by Crab Scrambly.

In the last decade, reports of incest have exploded into the national consciousness. Magazines, talk shows, and mass market paperbacks have taken on the subject as many Americans, primarily women, have come forward with graphic memories of childhood abuse. Making Monsters examines the methods of therapists who treat patients for depression by working to draw out memories or, with the use of hypnosis, to encourage fantasies of childhood abuse the patients are told they have repressed. Since this therapy may leave the patient more depressed and alienated than before, questions are appropriately raised here about the ethics and efficacy of such treatment.
