24 Types of Teaching Methods And Their Advantages And ...

They develop the idea of the 'new' education and social researcher, for whom the combination of approaches is a representation of a diverse skills base, rather than a matter of ideological or theoretical allegiance. The book outlines and evaluates methods that are currently used, and looks at combining different methods across and within studies, including complex interventions, Bayesian approaches, new political arithmetic, triangulation, life histories and

Combining Methods in Educational and Social Research ...

Pedagogy, the study of teaching methods, including the aims of education and the ways in which such goals may be achieved. The field relies heavily on educational psychology, which encompasses scientific theories of learning, and to some extent on the philosophy of education, which considers the aims and value of education from a philosophical perspective.
