Stevie Nicks - Visions, Dreams & Rumours by Zoe Howe ...

Fleetwood Mac's Stevie Nicks is a musical visionary, a poet and an enduring style icon with a truly phenomenal life story. The Omnibus enhanced Stevie Nicks: Dreams, Visions & Rumours is a celebratory examination of this tale, tracing Stevie 's life from her Arizona childhood, the magic moment when she joined Fleetwood Mac and the hedonistic turbulence that followed.

This biography takes us on her journey from peripatetic Midwest childhood to her explosion onto the music scene as chiffon-swathed rock goddess, right up to present day.

A celebration of the career and achievements of the iconic rock-and-roll artist traces her Midwest childhood and explosion onto the music scene through her collaborations with Fleetwood Mac and her gold and quadruple-platinum solo albums.

A biography of Stevie Nicks, the Fleetwood Mac singer whose haunting vocals and mystical stage presence helped resurrect the group in the mid-seventies

Stevie Nicks is a legend of rock, but her energy and magnetism sparked new interest in this icon. At 68, she's one of the most glamorous creatures rock has known, and the rare woman who's a real rock 'n' roller. Gold Dust Woman gives "the gold standard of rock biographers" (The Boston Globe) his ideal topic: Nicks' work and life are equally sexy and interesting, and Davis delves deeply into each, unearthing fresh details from new, intimate interviews and interpreting them to present a rich new portrait of the star. Just as Nicks (and Lindsay Buckingham) gave Fleetwood Mac the "shot of adrenaline" they needed to become real rock stars—according to Christine McVie—Gold Dust Woman is vibrant with stories and with a life lived large and hard: —How Nicks and Buckingham were asked to join Fleetwood Mac and how they turned the band into stars —The affairs that informed Nicks' greatest songs —Her relationships with the Eagles' Don Henley and Joe Walsh, and with Fleetwood himself —Why Nicks married her best friend's widower —Her dependency on cocaine, drinking and pot, but how it was a decade-long addiction to Klonopin that almost killed her — Nicks ' successful solo career that has her still performing in venues like Madison Square Garden —The cult of Nicks and its extension to chart-toppers like Taylor Swift and the Dixie Chicks

A consummate insider as the girlfriend of Lindsey Buckingham, Fleetwood Mac singer and guitarist, Carol Ann Harris leads fans into the very heart of the band's storms between 1976 and 1984. From interactions between the band and other stars--Mick Jagger, Eric Clapton, and Dennis Wilson--to the chaotic animosity between band members, this memoir combines the sensational account of some of the world's most famous musicians with a thrilling love story. The parties, fights, drug use, shenanigans, and sex lives of Fleetwood Mac are presented in intimate detail and illustrated with never-before-seen photographs. With the exception of one brief interview, Carol Ann Harris has never before spoken about her time with Fleetwood Mac.

One of rock's master musicians describes how he nurtured his band, Fleetwood Mac, as it dominated the late 1960s, came back in the 1980s, and survives into the 1990s

In this behind-the-scenes look at the making of Fleetwood Mac 's epic, platinum-selling double album, Tusk, producers and engineers Ken Caillat and Hernan Rojas tell their stories of spending a year with the band in their new million-dollar studio trying to follow up Rumours, the biggest rock album of the time. Following their massive success, the band continued its infamous soap opera when its musical leader and guitarist, Lindsey Buckingham, threatened to quit if he didn 't get things his way, resulting in clashes not only with his band but especially Caillat, who had been essential to the band 's Grammy-winning sound. Hernan Rojas 's story recounts a young man who leaves Chile after General Pinochet 's coup to seek his future in the music industry of Los Angeles, where he finds success at one of the hottest studios in town. When Fleetwood Mac arrives, Rojas falls in love with its star singer, Stevie Nicks, and the two of them become romantically involved. Throughout the book, both Caillat and Rojas detail not only the trials and sacrifices they made to finish the album, but also triumphs of musical inspiration and technical innovation that have made Tusk the darling of music critics and indie rockers today.

Inside the making of one of the biggest-selling albums of all time: Fleetwood Mac's Rumours Fleetwood Mac's classic 1977 Rumours album topped the Billboard 200 for thirty-one weeks and won the Album of the Year Grammy. More recently, Rolling Stone named it the twenty-fifth greatest album of all time and the hit TV series Glee devoted an entire episode to songs from Rumours, introducing it to a new generation. Now, for the first time, Ken Caillat, the album's co-producer, tells the full story of what really went into making Rumours--from the endless partying and relationship dramas to the creative struggles to write and record ""You Make Loving Fun,"" ""Don't Stop,"" ""Go Your Own Way,"" ""The Chain,"" and other timeless tracks. Tells the fascinating, behind-the-music story of the making of Fleetwood Mac's Rumours, written by the producer who saw it all happen Filled with new and surprising details, such as Stevie Nicks and Lindsey Buckingham's screaming match while recording ""You Make Loving Fun,"" how the band coped with the pressures of increasing success, how the master tape nearly disintegrated, and the incredible attention paid to even the tiniest elements of songs, from Lindsey playing a chair to Mick breaking glass Includes eighty black-and-white photographs

"After forty-six years of being on the road, this is the right time to look back in a way I've never done before: now and then. This is the story of my life in rock and roll -- and how the band that has meant everything to me came to define me. I'm looking forward to sharing it with you." Mick Fleetwood has been a member of the ever-evolving Fleetwood Mac, one of the world's most successful and adored bands, for over four decades. Here he tells the full and candid story of his life as one of music's greatest drummers and bandleaders, the cofounder of the deeply loved supergroup that bears his name and that of his bandmate and lifelong friend John McVie. In this intimate portrait of a life lived in music, Fleetwood vividly recalls his upbringing tapping along to every song playing on the radio, his experiences as a musician in '60s London, and the earliest permutation of the band featuring Peter Green. Play On sheds new light on Fleetwood Mac's raucous history, describing the highs and lows of being in the band that Fleetwood was determined to keep together. Here he reflects on the creation of landmark albums such as Rumours and Tusk, the great loves of his life, and the many incredible and

outrageous moments of recording, touring, and living with Fleetwood Mac. Fleetwood describes these moments with honesty and immediacy, taking us to the very heart of this multilayered journey that has always been anchored in music. Through it all, from intense love to plaintive heartaches, from collaborations to confrontations, it's been the drive to play on that has prevailed. Now, then, and always, it's Fleetwood Mac.

(Piano/Vocal/Guitar Artist Songbook). Assembles 14 smash hits from this mystical singer/songwriter's solo career, as well as her days fronting Fleetwood Mac: Bella Donna * Edge of Seventeen * If Anyone Falls * Landslide * Leather and Lace * Rhiannon * Sorcerer * Stand Back * Stop Draggin' My Heart Around * Talk to Me * more.
