Ma is the term for a specific Japanese concept of negative space. In traditional Japanese arts and culture, ma refers to the artistic interpretation of an empty space, often holding as much importance as the rest of an artwork and focusing the viewer on the intention of negative space in an art piece. Though commonly used to refer to literal, visible negative space, ma may also refer to the perception of a space, gap or interval, without necessarily requiring a physical compositional element. Th

Great course! I'm a senior in high school and I decided to take Intermediate Counting & Probability because I'd never been exposed to problem-solving math before, let alone discrete math. Now, I feel ready to take the 400-level combinatorics sequence at college in a few months, and my problem-solving skills have improved a lot.
