Aaron and Mayumi Muller are the world's #1 trainers who teach people how to buy a business using other people's money, then make the business run without the owner. They are serial entrepreneurs who currently own eight multimillion-dollar companies that run without them.

Lifestyle Business Owner Academy from Aaron and Mayumi Muller

In a lifestyle business, the owner is responsible to no one but himself. A startup has the responsibility of making it big and earning money in order to be able to return the investment of the financiers and investors, as well as line the pockets of the owners.

How to Start a Lifestyle Business | Cleverism

A lifestyle business is one of the best examples for the connection between doing business and improving yourself. First of all, such people do it all on their own and start from nothing. They find a way to say no to conventional wisdom, to get clear about what they don't want in their life (like a regular job and lack of time), and to make a plan on how to get what they truly desire.

What is a Lifestyle Business and 3 Solid Reasons to Build ...

A lifestyle business is a business set up and run by its founders primarily with the aim of sustaining a particular level of income and no more; or to provide a foundation from which to enjoy a particular lifestyle. Some types of enterprise are more accessible than others to the would-be lifestyle business person. Those requiring extensive capital are difficult to launch and sustain on a lifestyle basis; others such as small creative industries businesses are more practical for sole practitioner

Lifestyle business - Wikipedia

that share your goals.

How to Be a Successful Business Owner (with Pictures ...

There are two competing business philosophies: lifestyle business vs. growth-minded business. Lifestyle Business. A lifestyle business isn't intended to make the owner tons of money. The goal of a lifestyle business is to make enough money to be comfortable while having freedom and a good work-life balance while doing work that you enjoy. Many lifestyle businesses were started based on the owner's particular hobby or passion and represent their personal values.

Lifestyle Business vs. Growth-Minded Business

Work-Life Balance for Small Business Owners . While running your own small business brings a lot of positive aspects to your workday, business owners are often particularly prone to spending too much time on the work side of the work-life teeter-totter.

Work-Life Balance: What Is It? - The Balance Small Business

Rather, the purpose of the business tends to segregate the definition. The guiding principle behind a Lifestyle business: is to create and sustain a particular level of income for the founders or owners, nothing more. In other words, its purpose is to facilitate a particular lifestyle. This does not mean that lifestyle businesses can't be significant.

What's the Difference between a Lifestyle Business and a ...

Aaron brings more than 20 years of small business ownership to bear to help you with the real problems you face as an independent small business owner.
