The Sport and Society Reader by David Karen

Although everyone loves to watch a fair, evenly matched sports contest, there is no such thing as "pure sport". The Sport and Society Reader is a collection of key scholarly and journalistic articles that demonstrate the ways that the sports we love to watch and the teams we love to root for are embedded in important social structures and processes that undermine sports' "purity". The volume ...

The Sport And Society Reader

About Us Founded in 2010, the Sport & Society Research Network is brought together around a common interest in cultural, political, and economic relationships of sport to society. We seek to build an epistemic community where we can make linkages across disciplinary, geographic, and cultural boundaries.
