It's the tone or mood of these 50 cent Flash Fiction micro stories that stay with me like I imagine a taste of the great Tokaji wine he writes about might linger within us. The story that impressed me the most was Solitaire. I don't know if any of you have read Jack Karouac, but Solitaire affected me like a Karouac story. It wasn't so much what the story was about but the way Seunnassepp ...

Urban fiction, also known as street lit or street fiction is a literary genre set in a city landscape; however, the genre is as much defined by the socio-economic realities and culture of its characters as the urban setting. The tone for urban fiction is usually dark, focusing on the underside of city living. Profanity, sex, and violence are usually explicit, with the writer not shying away ...
