Update - Verizon

Unfortunately it looks like Verizon is winning the "Guide War". The complaining is starting to lose steam. I hate this "upgrade" more and more as time goes on. Just pathetically slow and user

Where To Download Verizon Fios Guide Update

unfriendly. Ironically today I was recognized as a "Top Fan" on Verizon's Facebook page for complaining about the guide. That explains a lot.

Updates / Support

The end of september was the target date for a minor update but instead they have chosen to go with a major update that will be fixing all of the issues people are having with the guide or

Where To Download Verizon Fios Guide Update

with certain channels that are being affected. The new release will be 1.9.5 IMG (interactive media guide) where it will be rolled out based on where you live.
