The one-stop resource for IFRS interpretation and application, updated for 2017 Wiley IFRS 2017 offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards Board (IASB). With up-to-date coverage and a host of practical tools, this book provides invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner's perspective: IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance. The IASB's efforts are paying off as more and more countries around the globe either adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation. Review the latest IFRS rules and standards Apply guidelines and best practices appropriately Gain expert insight on IFRS interpretation and implementation Ensure compliance and verify completeness Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. Wiley IFRS 2017 offers a complete, up-to-date reference to help you apply and comply with the latest international standards.

Your one-stop resource for understanding current International Financial Reporting Standards, with a free ePDF of the entire book As the International Accounting Standards Board (IASB) continues towards its goal of a set of high quality financial reporting standards and makes significant strides in achieving global convergence of accounting standards worldwide, International Financial Reporting Standards (IFRS) continue to be important to the accounting world. Clear, practical IPSAS guidance, explanation, and examples Interpretation and Application of IPSAS provides practical guidance on the implementation and application of the International Public Sector Accounting Standards. This book brings readers up to date on the standards, and describes their proper interpretation and real-world application. Examples and mini-case studies clarify the standards' roles throughout, giving readers a better understanding of complex processes, especially where the IPSAS deviate from IFRS. Readers also gain insight into smoothly navigating the transition for a public sector entity, which is moving to either IPSAS under accrual basis of accounting or to cash accounting IPSAS, plus an overview of IPSAS adoption status and methods around the world. Global public sector accounting is highly diversified, resulting in ongoing moves to harmonise standards worldwide. The IPSAS are international standards that largely follow the IFRS model, but differ in some key areas and include standards in places where IFRS has none. This book provides complete guidance to IPSAS, with clear explanation and expert insight. Understand the meaning and role of each standard Apply the standards to real-world scenarios Manage the process of transition to IPSAS These standards are meant to be followed by all public sector entities, including national and regional governments and local authorities. They've been adopted by the UN, NATO, the European Commission, and others, and either have been or soon will be adopted in Malaysia, Switzerland, Spain, and more.

The most comprehensive guide to FASB Codifications, updated with the latest pronouncements Wiley GAAP 2020 is the essential resource for US GAAP implementation. Covering all codifications by the Financial Accounting Standards Board (FASB) - including the latest updates - this book provides clear explanations and practical examples for real-world application of these dynamic guidelines. Each chapter includes relevant sources of GAAP and expert guidance on interpretation, terminology, relevant concepts, and applicable rules, while in-depth discussion on the issues surrounding specific pronouncements offers informative perspective for a variety of scenarios. Staying up-to-date with constantly-evolving guidelines is a challenge. Wiley GAAP 2020 provides the guidance, insight, and perspective accounting professionals need to ensure accurate and up-to-date GAAP implementation.

Wiley IFRS: Practical Implementation Guide and Workbook, Second Edition is a quick reference guide on IFRS/IAS that includes easy-to-understand IFRS/IAS standards outlines, practical insights, case studies with solutions, illustrations and multiple-choice questions with solutions. The book greatly facilitates your understanding of the practical implementation issues involved in applying these complex "principles-based" standards. PS-Line
