Yoga for Pain Relief: Simple Practices to Calm Your Mind and Heal Your Chronic Pain. It's no secret that yoga increases muscular flexibility and strength, but you may not know that yoga is a proven treatment for back pain, knee pain, carpal tunnel syndrome, and other chronic pain conditions. Yoga also helps to ease the stress, anxiety, and depression that can create and reinforce pain, making you feel more comfortable in both your mind and your body.

Yoga for Pain Relief: Simple Practices to Calm Your Mind ...

Yoga for Pain Relief. Yoga is a mind/ body practice with a 5,000-year history that combines physical, mental and spiritual practices. From a physical standpoint it offers exercises that encompass the entire body. I combine traditional yoga postures with anything that works to help people find freedom from pain, borrowing from personal trainers, physical therapists, and pilates teachers freely.
